MAGIC MULLIGANS are BACK. A Magic Mulligan is an authorized addition to your score. Each Magic Mulligan also represents a chance in the drawing for an Over/Under shotgun. The more you buy the better your chances and the higher your score. The goal is to help raise enough money for the Oklahoma Youth Hunting Program, so they can take an additional 35 kids hunting in 2018. Last year this OCAPL event funded more than 30 new hunters. Let your heart be your guide, we are not placing limits on your generosity, or your desire to improve your score.

If your company would like to join these Sponsors, please remember that there are three (3) types of SPONSORSHIP: Event Sponsor, Financial Sponsor and Team Sponsor. We encourage you to take advantage of all of them, but remember that they are separate and distinct.

Event Sponsor will get your company name on the Sponsor Banner, mention in all printed materials and allows you to distribute marketing materials at the event. We also encourage the Event Sponsors to send company reps for introduction before each flight. Please find the form attached.

Financial Sponsor includes all the benefits listed above, without the distribution of marketing materials.

Team Sponsor will have first shot at registration of their 5 shooter team. One of those shooters can be a guest. This is the only option for including a non-OCAPL member to your team. Registration forms for Sponsored teams are also attached. **They are due on or before July 16th.**

All shooters are eligible for all door prizes. Only the Mulligans require a special purchase.

This is the only letter or e-mail that you will receive from the Sporting Clays Committee concerning sponsoring this event. Please act now to secure your position.

THANK YOU for all that you continue to do for the OCAPL Sporting Clay Tournament.
